* Required

1. Missy Grossman *

2. Is this a match or a donation for the organization? *

Donation

3. South Macon Fire Department *

4. It is a back-up fire protection and EMS unit for the community I live in, and my son is an EMR and fireman/member. They don't have a lot of volunteer EMS/fire personnel, and the dollars would go to updating equipment and training that would keep them as safe as possible, which can be a challenge when you don't have a large team. They are frequently called to other surrounding towns (including mine which is next to it) due to the lack of volunteers. *

5. They are constantly on call for EMS related and fire related situations. Due to the lack of membership in surrounding areas, they serve more than just their immediate radius. There is a serious shortage of volunteer medical/fire personnel. They hold fundraisers so that they can continue to serve the community, and they also do frequent children's events like Christmas gifting for the needy, trick or treat events, educational school visits, bringing pumper trucks to events, etc. *

6. My son has been on this fire department for a few years. He rarely misses a call. For a small community the calls come in at a mind-boggling rate. Accidents and drug related calls are frequent. *

7. To bolster their annual fundraising activities so they can purchase updated equipment, maintain their fire station, current equipment, and fund continuing education and training in Decatur and Champaign to keep them as safe as possible. *

8. \$1000 would be a dream *
